CallMe

CALLME MAKES YOUR LIFE
EASIER EVERYDAY.

Are you away from home for business or holiday? **Don't worry about who rings the doorbell: CallMe always tells you who is there.** CallMe allows di you to answer the door phone or video door phone and open doors and gates directly from your smartphone or tablet. Thanks to CallMe you live and move with complete freedom and peace of mind without losing sight of what is going on at home.

GREATER CONVENIENCE

Is there a parcel for you and you are not at home? With **CallMe** you can speak with the courier and arrange a new delivery or open the door to leave the parcel to a neighbour.

GREATER COMFORT

Are you in the garden, on the terrace or watching the TV? Make yourself comfortable: with **CallMe** you do not have to stop doing what you are doing to open the door.

GREATER SECURITY

Have you left elderly people at home? Don't worry: **CallMe** allows you to control who rings the doorbell and answer in their place. In addition, they can call you on your smartphone simply pressing the key on the door phone.

MORE POSSIBILITIES

Have you got a second house? With **CallMe** you can check who rings the doorbell and manage the calls at any time.
